# Unobtrusive Grab Bar<sup>series</sup>

We skillfully redesigned the every day grab bar with the concept of creating an unobtrusive design which is the ultimate expression of comfort, giving it a luxurious feel of a higher quality of life.

We believe that the grab bar should have a more elegant, refined design so as to achieve a more aesthetically pleasing, yet functional, unobtrusive design. All this without compromising the strength and quality that is required to produce a traditional disabled product.

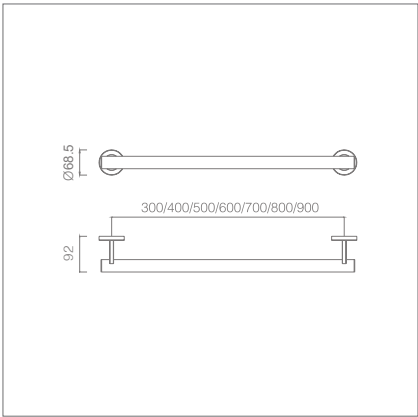

Available finishes:

Shinning polishing, brush polishing, matte black, matte white, rose gold, gunmetal, brush gold.
